

Affidavit of Support: Free Room and Board

What Does This Affidavit Mean?

By completing this affidavit, you are affirming that this student will live with you **free of any charge for room and food for every year** that he or she is studying at the Saint Elizabeth University and living in the United States. The student cannot be required to provide you with any services, such as babysitting, cleaning, etc., in exchange for the room and board.

By completing this affidavit and providing us with the accompanying documents, you are stating that you are the person who owns or rents this property where the student will stay, and that you can afford the support you are promising.

Before signing this affidavit, you must understand that you are making a financial commitment to the student. This commitment should not be broken. Sponsors who fail to provide support force students to drop out of school, causing pain and suffering. Do not expect that the student will be able to help support themselves through employment while studying. Employment is strictly controlled by the USCIS and is very limited.
